### **FSU Flying High Circus to Launch “Summer Camp 2009”**

Tallahassee, FL—This summer, families, patrons, and friends of the Florida State University Flying High Circus will be treated to an exciting new feature to the Big Top—Summer Camp 2009. Under the Big Top tent on the campus of FSU, the circus will conduct a summer day camp like no other. Finally, children in the Tallahassee area will get a chance to be a part of the circus, learning everything from juggling to flying on the trapeze. Our staff is made up entirely of FSU circus performers, who are all students taking classes at FSU. Camp will be available for ages 7-17. Campers will not only learn and experience a variety of circus activities, but will be able to display their newfound skills in their Friday Showcase performance at the conclusion of camp.

There will be eight (8) week-long camp sessions available beginning June 22nd. The last week of the program will begin August 10th. Day camp will run from 8:00am to 3:00pm, Monday-Friday. After care programming is also available, from 3:00pm – 6:00pm at an extra charge. After care will not be available for the final week of the program, August 10-14th. Registration Fees are as follows: One Camper: \$250.00 (includes tax) After care program (Sessions 1-7 only): \$70.00 (includes tax).

As one of only two collegiate circus programs in the United States, the FSU Flying High Circus draws its audience from throughout Florida, South Georgia and Alabama. The FSU Circus is located on the Florida State University campus, on the corner of W. Pensacola Street and Chieftan Way. We are across the street from University Center A and Howser Baseball Stadium. For more information about the FSU Flying High Circus or high-resolution photographs, press information and logos, access our website <http://circus.fsu.edu> or contact at [circuscamp@admin.fsu.edu](mailto:circuscamp@admin.fsu.edu) or by phone at 644-0828.
